

Technical drawing of a window head cross-section. The drawing shows the internal structure of the window frame, including the head, jamb, and sash. Key dimensions and labels are as follows:

- NET FRAME HEIGHT:** Indicated by a vertical dimension line on the left, spanning the total height of the frame assembly.
- FINISHED OPENING:** Indicated by a vertical dimension line on the left, spanning the height of the opening.
- 3/4" EXPOSED:** Indicated by a vertical dimension line on the left, showing the exposed portion of the frame.
- 1 15/16" HEAD:** Indicated by a vertical dimension line on the left, showing the height of the head frame.
- 1":** Indicated by a horizontal dimension line at the bottom, showing the width of the head frame.
- 3 13/16":** Indicated by a horizontal dimension line at the bottom, showing the total width of the frame assembly.
- EXTERIOR:** Labeled at the bottom left, indicating the outside of the window.
- SERIES 3070 HEAD:** Labeled at the bottom center, identifying the window series.
